Trouble accessing the eLearning courses?

It’s probably due to your pop-up blocker. The following guidelines will help you access the courses
Enabling pop-up blockers

- Google Chrome
- Internet Explorer
- Mozilla Firefox
Google Chrome
Click on **Customise and control Google Chrome** on the navigation bar.
Scroll down to Show advanced setting.
1. Scroll down to Privacy

2. Then click on Content settings...
1. Scroll down to Pop-ups

2. Then click on Manage exceptions...
1. Add learning.gs1.org to the list of your sites with pop-ups allowed

2. Click on Finished and you will now be able to view the eLearn!
Internet Explorer
1. Click on **Tools**

2. Then on **Internet Options**
1. Click on Privacy

2. Then on Settings...
Add `learning.gs1.org` and then Close the dialogue box.
Click on **Apply**
Mozilla
Click on **Open Menu**

Then on **Options**
Click on Exceptions...
Allow learning.gs1.org

And then Close
